

FISCAL NOTE

TO: Chief Clerk of the Senate
Chief Clerk of the House

FROM: James A. Davenport, Executive Director

DATE: February 15, 1996

SUBJECT: **SB 2329 - HB 2216**

This bill, if enacted, will amend TCA 2-2-204 dealing with voter registration by state agencies that provide public assistance and services to persons with disabilities by requiring that a voter registration-by-mail application form be attached to, or made part of, each application for such services or assistance.

Current law requires that the voter registration form be distributed with each application for such service or assistance.

The fiscal impact from enactment of this bill is estimated to be an increase in state expenditures if the requirements of the bill result in a change in the present form being used by such agencies. However, such increase is estimated to be not significant.

This is to duly certify that the information contained herein is true and correct to the best of my knowledge.

James A. Davenport, Executive Director
